'Helping to enhance our children's learning experience in our schools'

Summer Fair 2017

Saturday 1st July 11am – 3pm
(Set up Friday from 1.30pm)

All classes have a stall to run. If you can't help on the day, please offer help to set-up your stall on Friday evening.

Check overleaf for your stall/s.

We recommend that a MINIMUM of 12 adults will be needed for each stall, from 9/9.30am to set-up, manning the stall during the opening hours of 11am-3pm and clearing the stall away, doing 1-2 hour slots.

It is your responsibility as a parent/carer group to run the stall. If there are gaps in the rota, the stall will not be able to run, and profits will suffer.

Would you kindly let us know via email (address above) or fellow parent who is a pta member who is the contact for your class.

We are holding planning 2 sessions – INFANT & NURSERY SCHOOL - WEDNESDAY 14th June 9am-10am AND JUNIOR SCHOOL HALL THURSDAY 15th June 6.30-7.30pm, for those that need a space to meet, advice or some friendly guidance. Maybe you could swap your talents for someone else's stall?!

PTA Members will be running change stalls and sorting the activity programme, and will be visible in hi-vis vests on the day for help and advice.

It's not too late for Raffle Prizes: If you own or work at a local business, please ask if we can have a raffle or tombola prize. It is very good advertising for your business!
